

# Congratulations

Girlfriends

Good job  
You made me feel bad again  
It's your fault  
You're the reason why it's happenin'  
Congratulations, you win, I must admit  
Whenever I'm around you, I feel like shit

I feel like shit  
Why don't you keep going at it?  
I don't even know why you're like this  
You're the best at makin' me wanna vanish  
Lookin' forward to the next time (Next time)  
'Cause I know you just wanna take mine (Take mine)  
Zombieland, roamin' like a dead guy (Dead guy)  
Well, we're gonna leave it to the rest  
World gone cold, you gon' take my last breath

Good job (Good job)  
You made me feel bad again (Made me feel bad again)  
It's your fault (Your fault)  
You're the reason why it's happenin' (Reason why it's happenin'  
)  
Congratulations, you win, I must admit  
Whenever I'm around you, I feel like shit

It takes time to waste time (Waste time)  
I wonder how much more I got in this life (In this life)  
The next line, the next line (Next line)  
Is dedicated to the one who wastes mine (What? What? What? Screw you)  
Fuck you, baby, I'm done waiting now (I'm tired of waiting)  
My heart's in pieces like a jigsaw (A jigsaw)  
I know that all my feelings are invisible (Invisible)  
Tell me something that I didn't know (What? What? What? What?)

Good job (Good job)  
You made me feel bad again (Made me feel bad again)  
It's your fault (Your fault)  
You're the reason why it's happenin' (Reason why it's happenin'  
)  
Congratulations, you win, I must admit  
Whenever I'm around you, I feel like shit
