

SUNSET BLVD

Girlfriends

There's a place we used to go when we first met
Far from home, it was our little secret
Sneaking out and staying up without a regret
It was summer and I kissed you off of sunset
Was it fate we said I love you at the same time
Before we knew what a broken heart felt like

Gettin' lost in between the glow of street lights
I keep livin' for a moment like those nights

(We're goin' for a ride)
(So put your hand in mine)

Take me back to Sunset Boulevard
When the lights went out we were dancin' in the dark
The airplanes in the sky looked like stars
So take me back, take me back, take me back
To Sunset Boulevard

Sunset Boulevard
(Take me back)

Remember back when we had our better days
Photographs before things fell out of place
I drive around, but this town don't feel the same
All the things that I thought would never change

I miss the past, I guess I hold onto things
Let's go back, I want more than memories
We said forever, but we never knew what it meant
I'd give anything to have you back on Sunset

(We're goin' for a ride)
(So put your hand in mine)

Take me back to Sunset Boulevard
When the lights went out we were dancin' in the dark
The airplanes in the sky looked like stars
So take me back, take me back, take me back
To Sunset Boulevard

When the nights wouldn't end
We'd stay out till 3 AM
And the days went so fast
But we thought they'd always last
So take me back, take me back, take me back
To Sunset Boulevard
(To Sunset Boulevard)
(To Sunset Boulevard)

Take me back
To Sunset Boulevard

Take me back
Take me back

Take me back to Sunset Boulevard (Sunset Boulevard)

When the lights went out we were dancin' in the dark (Dancin' in the dark)
The airplanes in the sky looked like stars (Looked like stars)
So take me back to Sunset Boulevard
Sunset Boulevard

When the nights wouldn't end
We'd stay out till 3 AM
And the days went so fast
But we thought they'd always last
So take me back, take me back, take me back
To Sunset Boulevard
