## Girlfriends

Love scars and black hearts and lyrics on my chest  
Birthdays, my mom's name, and words I won't forget  
Sixteen and seventeen was such a crazy age  
Eighteen and nineteen, the memories will fade

And when I die, I don't wanna see you cry  
All the good times, all the goodbyes  
I want you to love me, so tell me that it's true  
When I'm gone, I'll make sure I take you with me too

I'll get a new tattoo 'cause it reminds me (It reminds me)  
It reminds me of you  
I got a new tattoo 'cause it reminds me (It reminds me)  
It reminds me of you  
I don't wanna ever forget all the times that we had  
I would do it all again, it didn't hurt that bad  
I got a new tattoo 'cause it reminds me (It reminds me)  
It reminds me of you

So self-inflicted, I'm addicted  
I think I might be bad for your image  
Now I'm shaking, but I can take this  
I hope this means that we're both gonna make it

And when I die, I don't wanna see you cry  
All the good times, all the goodbyes  
I'll try my hardest to keep my promise  
That's why I put you right where my heart is

I'll get a new tattoo 'cause it reminds me (It reminds me)  
It reminds me of you  
I got a new tattoo (Tattoo) 'cause it reminds me (It reminds me)  
It reminds me of you  
I don't wanna ever forget all the times that we had  
I would do it all again, it didn't hurt that bad  
I got a new tattoo 'cause it reminds me (Reminds me)  
It reminds me of you

I think I'm having a panic attack

Love scars and black hearts and lyrics on my chest  
Birthdays, my mom's name, and words I won't forget  
Sixteen and seventeen was such a crazy age  
Eighteen and nineteen, the memories will fade  
What the fuck?

I'll get a new tattoo 'cause it reminds me (It reminds me)  
It reminds me of you  
I got a new tattoo (A new tattoo) 'cause it reminds me (Reminds me)  
It reminds me of you  
I don't wanna ever forget all the times that we had  
I would do it all again, it didn't hurt that bad  
I got a new tattoo 'cause it reminds me  
It reminds me of you
