

The First Time

Girlfriends

The first time I picked you up felt like the last time (Last time)
The last time that we had sex felt like the first time (First time)
What happens next? 'Cause I'd like to know ('Cause I'd like to know)
Should I come in or drop you off and go?

With you, I don't stand a chance
She said, she said

When I'm with you, it doesn't hurt so bad
It doesn't hurt so bad
When I'm with you, it doesn't hurt so bad
It doesn't hurt so bad
I know that things can fall apart
I know that life can break your heart
But when I'm with you, it doesn't hurt so bad
It doesn't hurt so bad

You probably heard some bullshit line like you're perfect (Perfect)
You told me I seemed pretty nice on the surface (Surface)
What happens next? 'Cause I'd like to know ('Cause I'd like to know)
I get depressed when you come and go

With you, I don't stand a chance
She said, she said

When I'm with you, it doesn't hurt so bad
It doesn't hurt so bad
When I'm with you, it doesn't hurt so bad
It doesn't hurt so bad
I know that things can fall apart
I know that life can break your heart
But when I'm with you, it doesn't hurt so bad
It doesn't hurt so bad

When I'm with you
No time like the first time
When I'm with you
No time like the first time

The last time that we had sex felt like the first time

When I'm with you, it doesn't hurt so bad
It doesn't hurt so bad
When I'm with you, it doesn't hurt so bad
It doesn't hurt so bad
I know that things can fall apart
I know that life can break your heart
But when I'm with you, it doesn't hurt so bad
It doesn't hurt so bad
