

Toothbrush

Girlfriends

You left your toothbrush
At my house I hope you don't take it back
I'm thinking too much
You know I've always

Why am I like this?

Tell me the truth, do you like me
Or are you only here cause there's nothing to do?
I don't know if it's love but it might be
Cuz I only wanna do bad things to you

The only time that we talk is after 2am
Go our separate ways and then we do it again
I got a lot on my mind and you're the center of it
Cuz I saw what you left and now I gotta admit

You left your toothbrush
At my house I hope you don't take it back
I'm thinking too much
You know I've always been so bad at that
I started kissing your cheek, felt your tongue on my teeth
Tangled up in the sheets when we were falling asleep
You left your toothbrush
At my house I hope you don't take it back

Tell me the truth, is it the first time
Or is this something that you always do?
Take a deep breath cuz we got all night
I'd let you stay here forever if you wanted to

The only time that we talk is after 2am
Go our separate ways and then we do it again
I gotta lot on my mind and you're the center of it
Cuz I saw what you left and now I gotta admit

You left your toothbrush
At my house I hope you don't take it back
