

# Love Is Pain

Girls Aloud

What you are  
What you see  
It don't matter to me  
It don't matter to me  
What you know  
What you need  
It don't matter to me  
Just be faithful to me

When you no-o-ot  
Turning cold  
When you're no-o-ot  
Turning cold (turning cold, turning cold)

First I saw the letter  
Heard your secret call  
Tellin' you walk away  
While away's turning cold  
First I saw the letter  
Heard your secret call  
Tellin' you walk away  
While away's turning cold  
First I saw the letter  
Heard your secret call  
Tellin' you walk away  
While away's turning cold  
First I saw the letter  
Heard your secret call  
Tellin' you walk away  
While away's turning cold

What you say  
What you mean  
It don't matter to me  
It don't matter to me  
What you want  
What you dream  
It don't matter to me  
Just be faithful to me

When you no-o-ot  
Turning cold  
When you're no-o-ot  
Turning cold (turning cold, turning cold)

First I saw the letter  
Heard your secret call  
Tellin' you walk away  
While away's turning cold  
First I saw the letter  
Heard your secret call  
Tellin' you walk away  
While away's turning cold  
First I saw the letter  
Heard your secret call  
Tellin' you walk away  
While away's turning cold

First I saw the letter  
Heard your secret call  
Tellin' you walk away  
While away's turning cold

Love is pain  
Oh, oh, oh, oh  
Love is pain  
Oh, oh, oh, oh  
You're insane  
Oh, oh, oh, oh  
Feel like I wipe you  
Oh, oh, oh, oh  
Love is pain  
Oh, oh, oh, oh  
Love is pain  
Oh, oh, oh, oh  
You're insane  
Oh, oh, oh, oh  
Feel like I wipe you  
Oh, oh, oh, oh  
Love is pain  
Oh, oh, oh, oh  
Love is pain  
Oh, oh, oh, oh  
You're insane  
Oh, oh, oh, oh  
Feel like I wipe you  
Oh, oh, oh, oh  
Love is pain  
Oh, oh, oh, oh
