I need you (I need)
I want you (I want)
I luv you (I luv)

Hug me only once
Smile only once
Feel it only once
Smile only once
Once, once, once, once
Hug me just once
Hug me once

When you hug me once
You'll know my heart is beating
My heart is here beating
Faster than the clock

The whole world can hear
The sound of my heart thump thump
Why are you the only one who can't hear it?
Come a little closer
Listen to my heart

Like a sweet whipping cream
Infiltrating softly for you
(Kiss me your love for me)
What can I do about something so sweet and sour?
I like you so much

Hug me only once
Smile only once
Feel it only once
Smile only once
Once, once, once, once
Hug me just once
Hug me once

Wait for a moment
I'm going to shake this up
I can only imagine
My heart in the sky

Because of you I can't do anything
Except thinking about you tonight again
Everyday I think about you
Every night I wanna with you

What can I do? what can I really do about it?
I keep wanting to see you
(Honey, don't tease me)
Where is my love?
Because of you I'm really going crazy

Hug me only once
Smile only once
Feel it only once
Smile only once
Once, once, once, once
Hug me just once
Hug me once

Lalala lalalala lalala lalalala
I wanna be your lover
I wanna be your lover
I wanna be your lover

Covered with tears
Painful tears
Are flowing and flowing
Trying to reach you
I need you
I need you
I need you

Hug me only once
Smile only once
Feel it only once
Smile only once
Once, once, once, once
Hug me just once
Hug me once

Hug me only once
Smile only once
Feel it only once
Smile only once
Once, once, once, once
Hug me just once
Hug me once
