I need you I need your love

Ah ah ah ah you're my love
Ah ah ah ah you're my life

I watch TV then I listen to music
I do everything that I want
Countless cameras, countless articles
I can't even count them anymore

But I neglected you too much
It feels like you're gonna leave me
I'm sorry, I'm sorry I'm sorry
Without you, everything loses its meaning

If I lose you because of my greed
I think I'll regret it later
Your smile that looked at me
Your hands that knew me
Your lips that touched me

I'm top girl, now I'm a top girl
I don't lose to anyone, a top girl
Oh oh oh you're not here
Oh oh oh I'm going crazy but
Oh oh oh everything that I have
Oh oh oh I'll trade for you
Oh oh oh I just need you
I need you, I need your love

If I sing, if I smile
I can have anything I want
The gossip and rumors going your way
There's so many that you might not wanna see me

I didn't really
Know you back then
I thought you'd always be by my side
I love you, I love you, I love you
Now I finally know you

If I'm not in your heart anymore
I don't think I can see you again
Me, who used to smile for you
Me, who was by your side
My everything, that only had you

I'm top girl, now I'm a top girl
I don't lose to anyone, a top girl

Oh oh oh you're not here
Oh oh oh I'm going crazy but
Oh oh oh everything that I have
Oh oh oh I'll trade for you
Oh oh oh I just need you
I need you, I need your love

It really felt like a dream
I didn't want to lose popularity
I didn't know, I didn't know
That you were hurting because of me

I'm top girl, now I'm a top girl
I don't lose to anyone, a top girl
Oh oh oh you're not here
Oh oh oh it won't work but
Oh oh oh everything that I have
Oh oh oh I'll trade for you
Oh oh oh I just need you
I need you, I need your love
