To make my life complete  
You make my life complete

Pretty season  
Passing a fragrant road  
My cautious footsteps, I'm nervous  
When you come closer  
While smiling for me  
I feel like al worlds' happiness is mine

Due to the late afternoon sun  
I suddenly woke up  
And I laughed

It's still my far future  
But I hope it wasn't a dream  
Just one love, us two  
I hope the road we walk on is the same

Good morning, every morning  
(Always in my heart)  
Your call wakes me up  
It feels like a morning we share together

Like a movie you gave me  
A pretty candy  
You're sweeter than it

You must have changed due to time  
But I hope you won't let go off my hands  
Just for love, forever  
I hope my last love is you

It's so precious to me  
Your love

Oh It's true  
Just when we look at each other  
I want to be by your side

You must have changed due to time  
But I hope you won't let go off my hands  
Just for love, forever  
I hope my last love is you
