I'm lazy girl, so lazy girl
I'm lazy girl, so lazy girl
I'm lazy girl, so lazy girl
I'm lazy girl, I'm a lazy girl, lazy girl
Lazy girl

I'm a lazy girl
Yeah yeah I'm a lazy girl
I'm a lazy girl
I don't put on make-up and stuff
I also don't care about my hair sticking out
I just eat and watch TV
I don't want to do anything

My daily life that leaves me out of breath
The numerous people I bump into

The joy of love that never lets me rest
I want to forget about it and take a break

Just for today I'm a lazy girl
Whoever you are don't look for me
Me, lazy girl
Just for today, even love is bothersome
It's sometimes delightful
This sweet hobby during a busy day

I often lie on the sofa and sing
Eyes halfway open because of the sunshine
I also like eating snacks
I stop my diet too, just for today

My daily life that leaves me out of breath
The numerous people I bump into
The joy of love that never lets me rest
I want to forget about it and take a break

Just for today I'm a lazy girl
Whoever you are don't look for me
Me, lazy girl
Just for today, even love is bothersome
It's sometimes delightful
This sweet hobby during a busy day

Sleep in past noon
Oh no no don't even look for a boyfriend today
Oh no no don't use the internet or my smartphone
Push everything to do today until tomorrow

Just for today I'm a lazy girl
Whoever you are don't look for me
Me, lazy girl
Just for today, even love is bothersome
It's sometimes delightful
This sweet hobby during a busy day

I'm lazy girl, so lazy girl
I'm lazy girl, so lazy girl
I'm lazy girl, so lazy girl
I'm lazy girl, I'm a lazy girl, lazy girl
Lazy girl
