I feel like I was dreaming, this time that has passed quickly
The night has suddenly put on new white clothes
Sit gathered under the warmly lit bonfire
Open a box of happy memories
This happiness becomes the light of tears
It shines like the stars in the night sky

Everyone Merry Christmas
This season is beautiful again
Fill each other with beautiful moments
And happy stories
Everyone Merry Christmas
The always sparkling days of the past 1 year
It lights the world one by one
Warm tonight (tonight)

Gaze that meet always shine cozily
As if it's embracing the past days

I close my eyes, gather my hands and pray

For tomorrow to be full of happiness

Everyone Merry Christmas
This season is beautiful again
Fill each other with beautiful moments
And happy stories
Everyone Merry Christmas
The always sparkling days of the past 1 year
It lights the world one by one
Warm tonight (tonight)

Even if it's covered and frozen with snow
There's always sunshine
I'll be the light and melt everything
Close your two eyes, draw it in your heart
Even happier New Year
The unfamiliar excitement embraces your body
Everything is a gift

Everyone Merry Christmas
White angel-like December
Cover the path we've walked together
In snow and start anew
Everyone Merry Christmas
The always sparkling days of the past 1 year
It lights the world one by one
Warm tonight

Tonight, tonight
