

Kick It Down

Girlschool

A lot of people telling you what to do
Kick down the door still I gotta prove to you
I got the safe on my own, but I must get off my pride
You must keep on going to reach the other side
Tell you what I'm going to

Kick down, kick it down, kick it out (2x)

Yesterday always used to be the same
Looking for somebody else to blame
I'll tell you what I'm going to

Kick down, kick it down, kick it out (2x)
