

Swag Up

Git Fresh

I know this beat is smooth but still I don't see you
I know this beat is smooth but still I don't see you

Biggest name in this bizz she looking at I
No one way 2 step I'm fly
Play the commodores commuting on concords
When you talking d boys you talking bout one boy
V boy Lui [(:] VT boys you like playing T ball with these boys
Grand Slam my Swag I score high priced tags

I see you looking at me when I walk in
Whispering something to your friends
And you's a hater hello I see you hater
You staring at me from my head to my feet
See you can wear the same thing next week
Man you's a hater hello I see you hater
So I dedicate this song to you
And if you in the club right now
And see somebody like that next to you
Just tell her

Ain't no way no how you got more swagger than me
So get your swag up swag up
Go home and get your swag up swag up go home
Ain't no way no how you got more swagger than me
So get your swag up swag up
Go home and get your swag up swag up go home

I know this beat is smooth but still I don't see you
I know this beat is smooth but still I don't see you

Man you be looking at me all night
It looks like you and your boys wanna fight
Quit hatin and start participatin
You try to bump me too when I walk by
But I'm the wrong damn one for you to try
Dog Quit hatin and start congratulatin
So I dedicate this song to you
And if you in the club right now
And see somebody like that next to you
Just tell her

Ain't no way no how you got more swagger than me
So get your swag up swag up
Go home and get your swag up swag up go home
Ain't no way no how you got more swagger than me
So get your swag up swag up
Go home and get your swag up swag up go home

I got swag for days
Swag for days
I got swag for days
Swag for days oooooohhhh

I feel like new money
I smell like a few hundred
You looking at me get it caus when you want it I want it

Yet it looking at me funny
Baby I'm used to it
Gimme they undivided I school em like new schoolers
Plane tickets for the women and bought em so we could kick it
Might take you home and lick it and blame it on the liquor
Swag in check
Levi denim
Very ineqisive it's about whose in them
10 millionaire these shades for the glare
Caus a cold front when I wave in the air
Shortie you good she move with a GEE
Crib so big every room is a suite

Ain't no way no how you got more swagger than me
So get your swag up swag up
Go home and get your swag up swag up go home
Ain't no way no how you got more swagger than me
So get your swag up swag up
Go home and get your swag up swag up go home

Ain't no way no how you got more swagger than me
