

Another Heartbreak

Giveon

Tears don't fall when you're not here
Perfect for me, that's my fear
Nothing's wrong and it makes me nervous (Mm mm mm)
I just wanna know I'm worth it

'Cause every time I'm in love
End up with nothing
Nothing but these songs
Maybe I'm just overthinking
You're the one for me

'Cause I can't take another heartbreak, no
Not saying that we'll fail, girl
I just know that I'm scared (I'm scared, I'm scared)
Baby, no, I can't take another heartbreak
Not sayin' we'll fail, but I'm still scared
It all could end all again

Ah
Ah, yeah
(Ah-ah-ah-ah-ah)

I'm sure you're for me, girl, I know it
Right from the start you showed me
But my heart can't take another blow
And that's just why I'm scared to let you close

'Cause every time I'm in love
End up with nothing
Nothing but these songs
Maybe I'm just overthinking
You're the one for me

'Cause I can't take another heartbreak, no
Not saying that we'll fail, girl, I just know that I'm scared (I'm scared, I
'm scared)
Baby, no, I can't take another heartbreak
Not sayin' we'll fail but I'm still scared
It all could end all again

No, I cannot make this mistake
No one can take your place
I'm a fool to push you away, of course
You're just perfect in every way
I'm nervous it's just a faze
And my heart can't take heartbreak, no more (No more)

'Cause I can't take another heartbreak, no
Not saying that we'll fail girl, I just know that I'm scared (I'm scared, I'
m scared)
Baby, no, I can't take another heartbreak
Not sayin' we'll fail, but I'm still scared
It all could end all again

Can't take another
