

# Lie Again

Giveon

Too honest to me  
This time it's okay  
To lie to my face  
Yeah, yeah, yeah, yeah  
Don't want you to say it  
Just let me think it  
Only been me  
Yeah, yeah, yeah, yeah

Lie so sweet  
Until I believe  
That it's only been me  
To touch you

I, I pretend  
No one has had you like I did  
I don't need the truth, baby  
So lie, lie again  
No one has had you like I did  
I don't need the truth, baby, no

Wish I never asked it  
Now I'm in my head (Head)  
I wonder who had this  
Yeah, yeah, yeah, yeah  
Am I insecure, 'cause it's too much  
Hate to think you've done this before  
Don't tell me babe, I've heard enough  
I told you I don't want the truth

So just lie so sweet (Lie)  
Until I believe  
That's it's only been me  
To touch you

I, I pretend (I pretend)  
No one has had you like I did  
I don't need the truth, baby (I don't need the truth)  
So lie, lie again  
No one has had you like I did  
I don't need the truth, baby, no

Oh, I, oh  
(Oh, I, oh  
Oh, I, oh)
