NUMB

Giveon

You're gonna need a drink tonight
So why are we in black-and-white?
My pen run out of ink, it's dry
I gave everything, I've tried

Oh, you might know the deal
I've been here before
I don't even feel the rain anymore

Falling down the drain, I know
I'm running out of things I want
Ever since she took my love
Walking down the street, I don't even feel
Don't even fight
Don't know the days and I don't know the nights
Nothing
Ever since she took my love
I'm numb

Oh, can't put the blame on you
'Cause I'm still gonna take you
Back of the movies
Buy you some jewelry
But I just can't feel a thing
Not a thing

Oh, you might know the deal
I've been here before
And I don't even feel the rain anymore
Oh, yeah

Baby, I'm falling down the drain, I know
I'm running out of things I want
Ever since she took my love
Walking down the street, I don't even feel
Don't even fight
Don't know the days and I don't know the nights
Nothing
Ever since she took my love
I'm numb

I'm so numb
Numb
Numb (I am so numb)
So numb
