

Untitled (How Does It Feel)

Giveon

Girl, it's only you
Have it your way
And if you want you can decide
And if you'll have me
I can provide everything that you desire
And if you get a feeling
A feeling that I'm feeling
Won't you come closer to me, baby
And you've already got me right where you want me, baby
I, I just want to be your man

How does it feel
How does it feel
Said I wanna know how does it feel
How does it feel
How does it feel

I wanna stop
Silly little games you and me play
And I'm feeling right on
If you feel the same way, baby
Let me know
I'd love to make you wet
In between your thighs 'cause
I love it when it comes inside you
I get so excited when, whenever I'm around you

How does it feel
How does it feel
Said I wanna know how does it feel
How does it feel
How does it feel
