

Babi

Gjon's Tears

I can't see this fight again
It's too much for my brain
This has got out of hand
It is time for the end

I can't sleep without thinking of it
We need to talk about it

Ti ma morri babin ne k'të mjegull
Babi jem, babi jem
Ti ma morri babin ne k'të mjegull
Babi jem, babin tim

After leaving me a scar
And after all those issues
Our love would be abused
I can't sleep without thinking of it
We need to talk about it

Ti ma morri babin ne k'të mjegull
Babi jem, Babin tim
Ti ma morri babin ne k'të mjegull
Babi jem, babi jem

What else can I say to see you coming back
What else can I do to stop this attack
All I can do is say I love you dad

Ti ma morri
Babin
Në ktë mjegull

Ti ma morri babin ne k'të mjegull
Babi jem, babin tim
Ti ma morri babin ne k'të mjegull
Babi jem, babi jem

I can't see this fight again
