

Falling Away

Glades

Moonshine in the valley
Winding back to where we started
Freeze fire 'cause you know
I will make it home alive

I am never, never gonna wait
You say, "Follow the way we were"
And I'm caught in the middle of a heartache

Gonna run away
While I'm breathing, while I'm breathing
I'm falling away
I'm falling, I'm falling, I'm falling away

Fa-a-a-a-alling
I'm fa-a-a-a-alling

Fighting for ambition
Feels like every scar is open
Hit hard, hear us break
This vow is now in fragments

I am never, never gonna wait
You say, "Follow the way we were"
And I'm caught in the middle of a heartache

Gonna run away
While I'm breathing, while I'm breathing
I'm falling away
I'm falling, I'm falling, I'm falling away

Fa-a-a-a-alling
I'm fa-a-a-a-alling

Now we're far away, I'm never gonna stay
We've drowned this love which proved to be the hell we were breathing
With you, I feel alone, immersed in the unknown
Keep me far away, keep me, keep me far away this time

Gonna run away
While I'm breathing, while I'm breathing
I'm falling away
I'm falling, I'm falling, I'm falling away

Fa-a-a-a-alling
I'm fa-a-a-a-alling
