Fools

Glades

I am tired of this place, I hope people change
I need time to replace what I gave away
And my hopes, they are high, I must keep them small
Though I try to resist I still want it all

I see swimming pools and living rooms and aeroplanes
I see a little house on the hill and children's names
I see quiet nights poured over ice and Tanqueray
But everything is shattering and it's my mistake

Only fools fall for you, only fools
Only fools do what I do, only fools fall
Only fools fall for you, only fools
Only fools do what I do, only fools fall

Oh, our lives don't collide, I'm aware of this
The differences and impulses and your obsession with
The little things you like stick, kinda like aerosol
I've tried my luck, I'm not giving up, I still want it all

Only fools fall for you, only fools
Only fools do what I do, only fools fall
Only fools fall for you, only fools
Only fools do what I do, only fools fall

I see swimming pools and living rooms and aeroplanes
I see a little house on the hill and children's names
I see quiet nights poured over ice and Tanqueray
But everything is shattering and it's my mistake

Only fools fall for you, only fools fall
Only fools do what I do, only fools fall
Only fools fall for you, only fools fall
Only fools do what I do, only fools fall
