# Neon Buzz

**Glades**

Ride, midnight drive
Whatever feels right, is your mind on me?
'Cause you're on mine, I realized
That baby, I'm fine with your hands on me

Now we sit in the rain
In your old beat-up car
Yeah, I'm leaning on you
And I know what you want

Kiss me while the neon buzz
Ain't nobody watching us
I'm feeling your electric touch
So kiss while the neon buzz
Yeah, you light me up

You and me, we're peaking over speed
Passion just see when we're on our way
Touching on me, feel my ripped jeans
Been picturing this in my mind all day

Now we sit in the rain
In your old beat-up car
Yeah, I'm leaning on you
And I know what you want

Kiss me while the neon buzz
Ain't nobody watching us
I'm feeling your electric touch
So kiss while the neon buzz
Yeah, you light me up

Now we sit in the rain
In your old beat-up car
Yeah, I'm leaning on you
And I know what you want

Kiss me while the neon buzz
Ain't nobody watching us
I'm feeling your electric touch
So kiss while the neon buzz
Yeah, you light me up
