

Overdrive

Glades

I wanna see you baby oh, my my
Because I'm thinkin' bout you all the time
It's like I'm a magazine
And you can read all of me

So come on over it'll be all right
Let's keep it rolling while we're burning bright
We're like whiskey and old cigars
The kitchen is our dive bar

I know I'm better with you, with you, with you
Everything that we do, we do, we do
Yeah, I kinda like that, like that
And you hit me right back, right back

Let's get to runnin'
Let's get to runnin'
Cause we're runnin' out of time
Let's get to lovin'
Let's get to lovin'
Lovin' in overdrive

Let's get to runnin'
Let's get to runnin'
Cause we're runnin' out of time
Let's get to lovin'
Let's get to lovin'
Lovin' in overdrive

Now can you feel we're picking up the pace
It's like we're racing up to outer space
Where've you been all this time?
I've waited my whole damn life

I know I'm better with you, with you, with you
Everything that we do, we do, we do
Yeah, I kinda like that, like that
And you hit me right back, right back

Let's get to runnin'
Let's get to runnin'
Cause we're runnin' out of time
Let's get to lovin'
Let's get to lovin'
Lovin' in overdrive

Let's get to runnin'
Let's get to runnin'
Cause we're runnin' out of time
Let's get to lovin'
Let's get to lovin'
Lovin' in overdrive

I know I'm better with you, with you, with you
Everything that we do, we do, we do
Yeah, I kinda like that, like that
And you hit me right back, right back

Let's get to runnin'
Let's get to runnin'
Cause we're runnin' out of time
Let's get to lovin'
Let's get to lovin'
Lovin' in overdrive

Let's get to runnin'
Let's get to runnin'
Cause we're runnin' out of time
Let's get to lovin'
Let's get to lovin'
Lovin' in overdrive
