

Porcelain

Glades

Overthinking all along
Laying in these bedsheets stone cold
Tryna figure out where we went wrong
Where we went wrong

I wonder does she hurt you
Like the way I hurt you?
I keep finding me so lost
Maybe I misjudged you
Too late now, I love you
I can't take it back, no, no

All I do is run away or go to waste
'Cause every night I wait up to see your face
But pictures fade and every light just ricochets
And drips away like porcelain, porcelain
And you know it, babe
I let the pieces of me go astray
Fraction to find my way
I wish I wasn't so easy to break
I'm porcelain, porcelain
Why you do it, babe?

Tiptoe on this broken glass
Heated conversations turn bad
Every time you mend, it doesn't last
It doesn't last

Maybe I misjudged you
Too late now, I love you
I can't take it back, no, no

All I do is run away or go to waste
'Cause every night I wait up to see your face
But pictures fade and every light just ricochets
And drips away like porcelain, porcelain
And you know it, babe
I let the pieces of me go astray
Fraction to find my way
I wish I wasn't so easy to break
I'm porcelain, porcelain
Why you do it, babe?

Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
I'm porcelain, porcelain
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
I'm porcelain, porcelain

All I do is run away or go to waste
'Cause every night I wait up to see your face
But picture fade and every light just ricochets
And drips away like porcelain, porcelain
And you know it, babe

I let the pieces of me go astray
Fraction to find my way
I wish I wasn't so easy to break
I'm porcelain, porcelain
Why you do it, babe?
