

Sick day

Gladiator

I wanna be a story, what story? The story, I ask you
I wanna be an abyss, what abyss? The abyss I ask you
I wanna be a wet fly, what fly? The wet fly, I ask you
I wanna be a story of the wet fly in the abyss

Bring me
What is the sense of this sick day
bring bring bring
Bring me
Some day of any days

I wanna be a liar, how liar?, big liar I ask you
I wanna be truthful, how truthful? So truthful I ask you
I wanna be laughing, how laughing?, too laughing, I ask you
I wanna be tearful with a laughing, lying mouth

Any sadman in me
Any liar in me
Any laughter in me
Any monkey in me
Can't free me
