

Bourgie', Bourgie'

Gladys Knight

Ooh

Livin' the life
You're a jet-setter
Livin' the life yeah
You've got it all together
Hold the pose, turn the nose
Some fancy struttin'
It's a fact you from across the tracks
You said you wasn't

Everybody wants to be
Bourgie Bourgie
I know that
Everybody wants to be
Bourgie Bourgie

Told you
Hoo

All because of way you at
With no sign of your way back
Yeah you've got to have it
That's the life that suits you best
All you want is sweet success

Everybody wants to be
Bourgie Bourgie
I know ya
Everybody wants to be
Bourgie Bourgie

Keep your body nice and thin
Like to see I'm chasin' it
You keep us cool
With attitude
Never have to work too hard
Your face is your credit card
In high class society
And money

Everybody wants to be
Bourgie Bourgie
I know it, I told ya
Everybody wants to be
Bourgie Bourgie
Well, well, well, well

Everybody wants to be
Super bourgeoisie
Everybody wants to be
Bourgie Bourgie

Keep your body nice and thin
Like to see I'm chasin' it
You move around
All over the town yeah

Never have to work too hard
Your face is your credit card

Everybody wants to be
Bourgie Bourgie
Bourgeoisie
Everybody wants to be
Bourgie Bourgie
I know it, you know it

Everybody wants to be
Everybody wants to be
Bourgie Bourgie
Everybody wants to be
Footloose and fancy free

Everybody wants to be
Bourgie Bourgie
Super bourgeoisie
Everybody wants to be
I know it
Bourgie Bourgie
I know you like it like that
Everybody wants to be
Just say
Bourgie Bourgie

Everybody wants to be
Everybody wants to be
Bourgie Bourgie
Everybody wants to be
Bourgie Bourgie
Super Bourgeoisie
