

Daybreak

Gladys Knight

Daybreak
Another new day
The mist on the meadow
Is drifting away
For it's daybreak
The sun's in the sky now
And flowers break through
Their blanket of dew, oh-oh

Sunrise
How lovely it seems
To see from my window
A sky full of dreams
As the white clouds
Sail on through the blue
At daybreak
I daydream of you

Sunrise
How lovely it seems
To see from my window
A sky full of dreams
As the white clouds
Sail on through the blue, ooh
At daybreak
I daydream of you
