

# Good Morning Heartache

Gladys Knight

Good morning heartache  
You old gloomy sight  
Good morning heartache  
Thought we said goodbye last night

I turned and tossed until  
It seemed you had gone  
But here you are  
With the dawn

Wish I'd forget you  
But you're here to stay  
It seems I had met you  
When my love went away

Now everyday I start by  
Saying to you  
Good morning heartache  
What's new?

Stop haunting me now  
Can't shake you nohow  
Just leave me alone

I've got those Monday blues  
Can't you tell?  
Straight through Sunday blues

Good morning heartache  
Here we go again  
Good morning heartache  
You're the one who knew me when

Might as well get used to  
You hanging around  
Good morning heartache  
Come on, sit down

Stop haunting me now, telling you  
It seems I can't shake you nohow  
Why don't you just leave me alone

You know what?  
I've got those Monday blues  
Straight through Sunday blues

Good morning heartache  
Well, here we go again  
Good morning heartache  
You're the one who knew me when

I guess, I might as well get used to  
You hanging around  
Good morning heartache  
Sit down

Get comfortable

If you will  
Good morning heartache  
Sit down
