

# Home Is Where The Heart Is

Gladys Knight

Home is where the heart is  
When I spread my wings and flew away  
Spread my wings and flew away  
I left my heart with you

Home is where the heart is  
When I spread my wings and flew away  
Spread my wings and flew away  
I left my heart with you

Whether my feet are walking (Walking, walking)  
Down the dusty roads of Jackson  
Or the star-studded pavement of L.A. (Walking, walking)  
Mmm (Walking, walking)

Honey, I find my thoughts are turning  
I go home and the feet are yearning  
For a nest I left a thousand miles away

'Cause home is where the heart is  
Not the towns I'm drivin' in new

And when I spread my wings (Spread my wings) and flew away (Flew away)  
I left my heart with you (I left my heart with you)  
And when I spread my wings (Spread my wings) and flew away (Flew away)  
I left my heart with you

Home is where the heart is  
When I spread my wings and flew away

Whether my eyes are gazing (Gazing, gazing)  
At the lovely sights of Paris  
Or the beauty of the seven hills of Rome (Gazing, gazing)  
(Gazing, gazing)

Honey, I find my true emotion  
Like the ebb-tide of the ocean  
Reaching back to embrace the shores of home

Home is where the heart is  
Not the sight of my eyes kept you

And when I spread my wings (Spread my wings) and flew away (Flew away)  
I left my heart with you (I left my heart with you)  
And when I spread my wings (Spread my wings) and flew away (Flew away)  
I left my heart with you

Yeaheaheah, your love was a bridge  
Oh, that I've burnt after I crossed it  
No, no, no, no, heyeyey, I never knew  
What I had until I lost it

Oohooo (Oohooo)  
Oohooo (Oohooo)  
OohoooOohooo

Whether my arms holding (Holding, holding)

Someone new remembers  
Or I'm kissing someone new in Buffalo (Kissing, kissing)  
(Kissing, kissing)

Honey, I find my feeling's driven  
Like a piece I didn't fit in  
True, I feel a weight, now I'm used to grow

Home is where the heart is  
Not the thrill of someone new

Ohoho, when I spread my wings (Spread my wings) and flew away (Flew away)  
I left my heart with you (I left my heart with you)  
And when I spread my wings (Spread my wings) and flew away (Flew away)  
I left my heart with you

Home is where the heart is (Yeaheah)  
When I spread my wings and flew away  
Spread my wings and flew away

Home is where the heart is (Not the towns that I've been through)  
When I spread my wings and flew away  
Spread my wings and flew away  
I left my heart with you (Oh, I gotta go home)

Home is where the heart is (Not the sights my eyes can see)  
When I spread my wings and flew away (Yeah)  
Spread my wings and flew away  
I left my heart with you

Home is where the heart is
