

# Keep An Eye

Gladys Knight

Keep an eye  
Keep an eye, on your close friends  
Listen to me  
Keep an eye  
Keep an eye, on your close friends

Hey hey  
'Cause what you got they'll make you lose  
And then turn around and step in your shoes (step in your shoes)  
I said, they'll turn around and step in your shoes (step in your shoes)  
And then you'll say I'm so sorry for what I have to do  
But I love you, as much as you  
Hey hey, I love you, as much as you

Keep an eye (keep an eye)  
Keep an eye (keep an eye), on your close friends  
Ohh!  
Keep an eye (keep an eye)  
Keep an eye (keep an eye), on your close friends

You know the devil's workshop is busy place  
On top of evil there's an innocent face (innocent face)  
On top of evil there's an innocent face (innocent face)  
There used to be three of us seen all over town  
Now there's two  
Someone's missing hey hey guess who?  
Someone's missing  
You know that she planted seeds of mistrust here and there  
'Causing us to fight unaware  
Her comforting way, when I would cry  
Shadowed the look of triumph in her eye  
You know she got the snake on a limb of a tree  
A friend is an enemy that you can't see  
Ohh, you better believe me  
(Ohh oh)  
Mmm hmmm mmm

'Cause what you got, they'll make you lose  
And then turn around and step in your shoes (step in your shoes)

Ohh oh  
Keep an eye (keep an eye)  
Keep an eye (keep an eye), on your close friends  
[?] witness that your friends will decieve you and they'll mislead you  
Turn you back too long and your man will be gone  
Keep an eye (keep an eye)  
Keep an eye (keep an eye), on your close friends

Ohh!  
Don't trust nobody, nobody, nobody
