

Lovers Always Forgive

Gladys Knight

Lovers always forgive
Always forgive
Although you left me
For someone new
Now that it's fallin' through
Darling, you know that you
Can come to me
Lovers always forgive
Always forgive
So darling, forget your foolish pride
Your place is by my side
My arms are open wide
So run to me
Lovers always forgive
Lovers always forgive
Although she tore your dreams apart
I'll mend your broken heart
We'll make a grand and brave new start

Lovers always forgive
Lovers always forgive
(Lovers always forgive)
Lovers always forgive
(Lovers always forgive)
Lovers always forgive
(Lovers always forgive)
