Make Yours A Happy Home

Gladys Knight

You're just smiling this morning All of your love is wishing you well Your tears made you swell So make yours a happy home

Ooh, with the love at sight I got a happy crowd All on my will, has made me a way I've got love today So just make yours a happy, happy home

I wanna do you right You love me out of sight I wanna be what pleases you So long is there is peace with you That's all I can do

So let us make yours a happy, happy home Make yours a happy home

Do-do-do We can do it, we can do it, we can do it now, baby Do-do-do, aaah, yeah

I get full of pride and so sanctified You don't have to be for me No superstar

I love you just the way you are So won't you make yours a happy home Make yours a happy home

I wanna do you right, love me out of sight I wanna be what pleases you So long is there is peace with you That's all I can do

So let us make yours a happy, happy home Make yours a happy home Do-do-do We can do it

Uh, We can do it now, baby Do-do-do Ay-ay-ay, yeah

Ah, yeah, with the love at sight I got a happy crowd All on my will, has made me a way

I've got love today So just make yours a happy home Make yours a happy home

Do-do-do-do
We can do it, uh, we can do it now, baby
Do-do-do-do

Yeah-eh, yeah-ah-yeah

I get full of pride and so sanctified You don't have to be for me No superstar

I love you just the way you are So won't you make yours a happy home Make yours a happy home

Ooh baby, we can make it Ooh baby, we can make it Ooh baby, we can make it
