

# Put A Little Love In Your Heart

Gladys Knight

Oh, peace  
And a harmony is the key  
You gotta make up your mind and do it  
Won't, won't ya, yeah, yeah

Think of your fellow man, lend him a helping hand  
Put a little love in your heart  
You see, it's getting late, oh, please don't hesitate  
Put a little love in your heart

And the world (and the world) will be a better place  
And the world (and the world) will be a better place  
For you (for you) and me (and me)  
You just wait (just wait) and see

Another day goes by, and still the children cry  
Put a little love in your heart  
If you want the world to know, we won't let hatred grow, no no  
Put a little love in your heart

And the world (and the world) will be a better place  
And the world (and the world) will be a better place  
For you (for you) and me (and me)  
You just wait (just wait) and see

Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love

Take a good look around and if you're lookin' down  
Put a little love in your heart  
I hope when you decide kindness will be your guide  
Put a little love in your heart  
And the world (and the world) will be a better place  
And the world (and the world) will be a better place  
For you (for you) and me (and me)  
You just wait (just wait) and see  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love  
Put a little love
