

Taste Of Bitter Love

Gladys Knight

Taste of bitter love, taste of bitter love
Taste of bitter love, taste of bitter love

Taste of bitter love, taste of bitter love
Taste of bitter love, taste of bitter love

I can't feel for you or tell you what to do
It's something you've got to understand
It's out of my hand
Sorry won't do or begging please
It won't be through with you until you're on your knees

You feel like crying, you feel like dying
Sorry this time it's not the sweet wine
Taste of bitter love, that's what you got
Taste of bitter love, that's what you got
Taste of bitter love, taste of bitter love

Till now your life's been sugar and spice
Cloudy days were something you never knew
Lucky you
It's funny how the tables turn
It's a hard pill to swallow, but I guess you had to learn

You feel like crying, you feel like dying
Sorry this time it's not the sweet wine
Taste of bitter love, that's what you got
Taste of bitter love, that's what you got
Taste of bitter love, taste of bitter love

Don't you, don't you
Don't you feel like crying, you feel like dying
Sorry this time it's not the sweet wine
Taste of bitter love
Taste of bitter love, that's what you got
Taste of bitter love, taste of bitter love

Taste of bitter love, taste of bitter love
Taste of bitter love, taste of bitter love

Taste of bitter love, taste of bitter love
Taste of bitter love, taste of bitter love

Taste of bitter love, taste of bitter love
Taste of bitter love, taste of bitter love
