

The Long And Winding Road

Gladys Knight

The long and winding road
That leads to your door
Will never disappear
I've seen that road before
It always leads me here
Lead me to your door

The wild and windy night
That the rain washed away
(The rain just washed away)
Has left a pool of tears
(Pool of tears, just standing there)
Crying for the day
Why leave me standing here
Let me know the way

Many times I've been alone
And many times I've cried
Anyway, you'll never know
The many ways I've tried

(But) Still they lead me back
To the long winding road
You left me standing here
Such a long, long time ago
Don't leave me waiting here

Lead me to your door

Oh

(But) Still they lead me back
To the long winding road
You left me standing here
Such a long, long time ago
Don't leave me waiting here

Why don't you lead me to your door
Yeah...
