Yesterday

Gladys Knight

Yesterday, all my troubles seemed so far away
Now it seems as though they're here to stay
Oh I, I believe in yesterday

Suddenly I'm not half the girl I used to be
There's a heavy heavy heavy shadow hanging over me
'Cause it tipped upon me so suddenly

Why, oh why he had to go I don't know, I don't know, the boy wo uldn't say
I feel I must've said something wrong
Now I long, yes I long for yesterday

Yesterday, love... love was such an easy, easy game to play
Now I gotta find, now I gotta find me a place to hide away
Oh I, I believe in yesterday

Oh why, why he had to go I don't know, I don't know, the boy ju st wouldn't say
I feel, I feel I must've said something wrong
Now I long, yes I need those yesterdays

Yesterday, yesterday... love was such an easy, easy, easy game to play
Now I gotta find, now I gotta find a place to hide away
Oh I, don't you know I believe, yes I believe in yesterday
