

do it for me

Glaive

I listened in
Yes, I'm guilty of this, you should know it
I broke down and wrote you back before you had a chance to
Forgive, forgotten
I am moving past this, giving notice
I have to go
Yes, I know the feeling, know you're leaving (slowsilver03)

Know I apologized profusely, but it got a tad confusing
You just don't know what you're doing to me
She must think I'm stupid 'cause I'm going fucking stupid
In like everything you're doing, baby
Tell me, do you do it for me?

(Tell me, tell me, tell me, tell me) So tell me, do you do it for me?
(Do you, do you, do you?) If not, I think it's best to leave
(Tell me, tell me, tell me, tell me) So tell me, do you do it for me?
(Tell me, tell me, tell me, tell me) So tell me, do you do it for me?

I don't mean this in no type way
Just tell me the time and place
I'll be there any other day (Oh-oh)
I'm 'boutta spend some months away
But, baby, that is some months away
Don't see any other way
I love my father, but sometimes, I want my mother's name (Oh-oh)
You don't want to hear 'bout what we're getting to (Oh-oh)
Spent a lot of money, but it's beautiful (Oh-oh)
The swords are drawn, I pray to God it's dutiful (Oh-oh)
Should apologize right now for the shit that I'm about to do

Know I apologized profusely, but it got a tad confusing
You just don't know what you're doing to me
She must think I'm stupid 'cause I'm going fucking stupid
In like everything you're doing, baby
Tell me, do you do it for me?

So tell me, do you do it for me?
(Do you, do you, do you?) If not, I think it's best to leave
(Tell me, tell me, tell me, tell me) So tell me, do you do it for me?
(Tell me, tell me, tell me, tell me) So tell me, do you do it for me?
Calm down, I'm calling you to say (slowsilver0-)

I listened in, yes, I'm guilty of this, you should know this (3)
I broke down and wrote you back before you had a chance to (Aha)
Forget forgotten
I am moving past this, giving notice
I have to go
