

Baby I would die for you  
Baby I would ride for you  
I would lie for you  
Baby I would die for you  
For you baby I would lie for you  
I would lie for you  
Baby I would die for you

Oo oo oo  
If you ever need a thing then I'll be here  
Promise, you're all I ever wanted  
Oo oo oo  
If you ever need a thing I'll cut it clear  
Honest, see it then I saw it  
Huh huh huh huh  
So pathetically intense  
Huh huh huh huh  
So pathetic with my intent  
Huh huh huh huh  
Rot apathetic in my bed  
Huh huh huh huh huh huh huh huh  
(Fuck me it's happening a-)

If you- if you asked me to  
I would die for you  
With no questions asked  
I would let you shoot  
I would let you shoot  
Huh huh huh huh  
If you needed space  
I would make some room  
If you needed space  
I would make some room  
And I lost my shit  
But I played it cool  
But I played it cool  
But I played it cool

Oo oo oo  
If you ever need a thing then I'll be here  
Promise, you're all I ever wanted  
Oo oo oo  
If you ever need a thing I'll cut it clear  
Honest, see it then I saw it  
Huh huh huh huh  
So pathetically intense  
Huh huh huh huh  
So pathetic with my intent  
Huh huh huh huh  
Rot apathetic in my bed  
Huh huh huh huh huh huh huh huh
