

It Is What It Is

Glaive

Ayy, uh
Uh, uh

Ayy, it is what it is, you must accept it while you can, though
I could've played, I could've balled just like my dad, but, huh
I just couldn't learn to pass though, this bitch, goddamn
Y'all couldn't hold a candle, for real
Cracked a joke inside the function, it didn't really land, though
Like, why'd nobody laugh though, for real?
Y'all wouldn't understand
I'm laughing like it is, but this shit is kinda sad though, for real

Y'all can't, y'all can't, y'all can't do the shit I've done
Michelle Yeoh, I couldn't cope, it's all happening at once, huh, huh
It either doesn't or it does
If I said it, then I meant it, if I meant it, then it's done, huh
Done, yeah, peacefulness in love, yeah
Fool me once, it's fine, but fool me twice, then it's fuck ya
Shinzo Abe, we brought homemade guns, yeah
Walk into the bank and they greet me by the gov', huh

It is what it is, you must accept it while you can, though
I could've played, I could've balled just like my dad, but, huh
I just couldn't learn to pass though, this bitch, goddamn
Y'all couldn't hold a candle, for real
Cracked a joke inside the function, it didn't really land, though
Like, why'd nobody laugh though, for real?
Y'all wouldn't understand
I'm laughing like it is, but this shit is kinda sad though, for real

Y'all can't do the shit I've done
I'm Chicharito in a way, I score for fun
I was a kid and you weren't half the man I was
I had 100K before I could even- huh
Best believe it
When I walked through my hometown, it's like a special event
I started winning so much, it started losing meaning
God, what a feeling
Y'all wouldn't get it even

It is what it is, you must accept it while you can, though
I could've played, I could've balled just like my dad, but, huh
I just couldn't learn to pass though, this bitch, goddamn
Y'all couldn't hold a candle, for real
Cracked a joke inside the function, it didn't really land, though
Like, why'd nobody laugh though, for real?
Y'all wouldn't understand
I'm laughing like it is, but this shit is kinda sad though, for real

For real, for real, for real- real
For real, for real, for real
For real, for real, for real- real
For real, for real, for real
For real, for real, for real- real
For real, for real, for real
For real, for real, for real- real
For real, for real, for real
