

last christmas

Glaive

(Somebody who cares)

Last Christmas, I gave you my heart
But the very next day, you gave it away
And this year, to save me from tears
I'll give it to someone special (Fuck)
One, two, three, four

Last Christmas, I gave you my heart
But the very next day, you gave it away
And this year, to save me from tears
I'll give it to someone
I'll give it to someone who cares
Somebody who's there
Somebody who cares
Or maybe I'm just a fool

It's near December and we're here again, wait
Did you just say what I think you said?
'Cause if you did then I would love to hear it again
I've got some things I'd love to get off my chest
Like how I'm goin' through a little bit of shit right now
All within a year since you came around
And I hate that song, would you turn it down?
How does it—, it goes like (One, two, three, four)

Last Christmas, I gave you my heart
But the very next day, you gave it away
And this year, to save me from tears
I'll give it to someone
I'll give it to someone who cares
Somebody who's there
Somebody who cares

Need somebody who cares
Somebody who cares
Somebody who cares
Somebody who cares
