

pardon me

Glaive

Ayy, hey, baby, pardon me
Used to want to kill myself, I killed that part of me
My bro aim for headshots, but he would take the arteries
Baby, pardon me, you don't want no part of me

'Cause sometimes I get stuck inside my head (Oh-oh-oh)
And I could give a fuck 'bout what you said (Oh-oh-oh)
'Cause sometimes I get stuck inside my head (Oh-oh-oh)
And I could give a fuck 'bout what you said (Oh-oh-oh)

And sometimes I think I don't even like her (Oh-oh-oh, oh-oh-oh)
And shoutout to my ex, know I'ma pipe her (Oh-oh-oh, oh-oh-oh)
(Oh-oh-oh)
(Oh-oh-)

Used to want to kill myself, I killed that part of me
Killed that part of me
My bro aim for headshots, but he would take the arteries
Baby, pardon me, you don't want no part of me
(You're no part of me)

Why the fuck he been talking shit online?
We see him IRL, we puttin' his ass in the sky
We see him in real life, we put his ass in the sky
Told him, "Meet up, bro, let's fucking die"

What the fuck?
Ss03
I got the crest on me
It all depends on me
Today is the first day for the rest of your life
