

phobie d'impulsion

Glaive

Bite my tongue in New York
I'm quick to get obsessed
Even faster to get upset
I don't want to live like this anymore

Phobie d'impulsion
Is there more now than what was?
Will I ever live down what I've done?

I don't go to parties
Cause everyone's watching
I'm thankful I never got what I thought I wanted
Cause I hate what I have in the same second I got it
With everybody laughing
I feel so retarded iyi

Gooooooooooooo Lord

I've tried
But my kingdom comes
Will you please read my rights ?
Cause it's done
And I'm scared as fuck
But I'm scared as fuck all the time
And I'm young but I've done enough
Yeah I've done enough and it's fine
If this giving up then I'm giving up
But I tried
Oh I tried
(I don't go to parties at all)

I don't go to parties
Cause everyone's watching
I'm thankful I never got what I thought I wanted
Cause I hate what I have in the same second I got it
With everybody laughing
I feel so retarded iyi
