Glaive

Yeah, she grew up in the city  
She was fucking with me back when no one was fucking with me, I know  
Yeah, yeah, she gon' text me that she miss me  
'Cause we both know we got history  
And I'll teller her that she's pretty, yeah

Pretty fucking stupid, pretty fucking useless  
I'm pretty fucking tired of acting like I'm clueless  
I'm pretty fucking awful, with liquor by the bottle  
She swerving, hitting potholes, I'm awful, I'm stupid

And a little bit dumb  
I've been thinking too much 'bout how it was  
I'm way too young, yeah, I'm way too  
(Hold up, lemme talk to 'em for a second)  
Think I'm too young for this, I think I'm too young for this  
I'm calling up Lexapro, like bro, make a drug for this  
And I've been smiling through the pain, but bro, I was struggling  
They say that money don't make you happy, but bro, I've been loving it  
So I guess I don't cry every single time that I gotta thumb through it  
I hope I don't fumble it, 'cause baby, that would be

Pretty fucking stupid, pretty fucking useless  
I'm pretty fucking tired of acting like I'm clueless  
I'm pretty fucking awful, with liquor by the bottle  
She swerving, hitting potholes, I'm awful, I'm stupid
