

She said I'm a prick
That's what she told me
Baby you don't give a shit
You miss the old me
I hope every time I win
It kills you slowly
And I hope you tell your kids
You used 2 know me

She said I'm a prick
That's what she told me
Baby you don't give a shit
You miss the old me
I hope every time I win
It kills you slowly
And I hope you tell your kids
You used to know me

I know you think you love me but you really don't
Put your issues on me and find a way to cope
I can't help but let you go
If you ever have time for me just let me know

Tall grass I watch every single step that I take
And I need all that my ball cap is hiding my face
I've been holding myself back and
I don't want do it anymore
Baby I don't wanna do it anymore
Baby I don't wanna do it anymore
Can't let you can't let you can't let you go
Because I'm scared to be alone
Then I'll up on my own my own

And I've been acting like a prick
That's what she told me
Baby you don't give a shit
You miss the old me
I hope every time I win
It kills you slowly
And I hope you tell your kids
You used to know me

She said I'm a prick
That's what she told me
Baby you don't give a shit
You miss the old me
I hope every time I win
It kills you slowly
And I hope you tell your kids
You used to know me
