

Veni Vidi Vici

Glaive

(I didn't know)

Veni, vidi, vici, city lights, Avicii
Get to it if it bleeds me, nothing worth doing's easy
I came, I saw, I was not a fan of it at all
I would rather kill myself than end up anything like y'all (For
real)

Veni, vidi, vici, city lights, Avicii
Get to it if it bleeds me, nothing worth doing's easy
I came, I saw, I was not a fan of it at all
I would rather kill myself than end up anything like y'all (For
real)

Is it-?

Is it the wealth disconnect, or is it simply the respect?
Y'all would let your brothers die if it meant a chance to get a
head

This girl think I was born in 2003, she, she, she don't know ab
out the set

She don't know about us yet

She asked what I do for work, and I just got up and I left

Protect my own innocence, protect my own in a sense

I feel at home in a Benz, I feel it all inside my chest

I came, I saw, I fucking left

Veni, vidi, vici, city lights, Avicii
Get to it if it bleeds me, nothing worth doing's easy
I came, I saw, I was not a fan of it at all
I would rather kill myself than end up anything like y'all (For
real)

Veni, vidi, vici, city lights, Avicii
Get to it if it bleeds me, nothing worth doing's easy
I came, I saw, I was not a fan of it at all
I would rather kill myself than end up anything like y'all

I just can't do that, I just

I just can't, I just

I just can't, I just

I just can't, I just (I just can't)

I just can't, I just

I just can't, I just (I just can't)

I just can't, I just

I just can't be nothing like y'all
