

## Heartbreaker

## Glamour of the Kill

Girl, no I don't bite  
Let's find the darkest places in your mind  
Open up I'm gonna make you mine  
Girl, you taste so right, yeah  
Come with me and you can take a ride  
I'm gonna tie you down and keep you up all night

It won't be long til you're down on your knees again  
If you never try then you'll never know, give it a go  
How nasty can you be?

Bang bang, the attraction's dead  
Get it through your head  
Your time is over, nice to know ya  
Bang bang, the attraction's dead  
Get it through your head  
Your time is over, nice to know ya  
(Nice to know ya)

Girl, no I'm not here to fall in love  
You say that you want me  
You can't live without me  
I can't believe that you didn't know (did you ever know?)  
That in the end, you would never mean anything  
More than just a fuck to me  
And that is all you'll ever be

It won't be long til you're down on your knees again  
If you never try then you'll never know, give it a go  
How nasty can you be?

Bang bang, the attraction's dead  
Get it through your head  
Your time is over, nice to know ya  
Bang bang, the attraction's dead  
Get it through your head  
Your time is over, nice to know ya

Be a good girl, gotta do what you're told  
Keep your mouth shut, never tell a soul  
Be a good girl, gotta do what you're told  
Keep your mouth shut, never tell a soul  
(Be a good girl)  
Be a good girl, gotta do what you're told  
Keep your mouth shut, never tell a soul (never tell a soul)  
Be a good girl, gotta do what you're told  
Keep your mouth shut, never tell a soul  
Yeah

Bang bang, the attraction's dead  
Get it through your head!  
Get it through your head

Bang bang, the attraction's dead  
Get it through your head  
Your time is over, nice to know ya  
Bang bang, the attraction's dead

Get it through your head  
Your time is over, nice to know ya
