

## **bone skull**

**glass beach**

"Ugh, I'm so miserable!"

Blocks of empty storefronts renting to nobody  
Dead cacti hang limply in old valley apartment hallways  
I'm always making a list of all the people I'd help  
If I wasn't helpless myself  
Standing motionless in doorways and parking lots  
Pigeons coo on the balconies  
Dilapidated couches, mattresses  
I'd care about the future again if I knew I could last long eno  
ugh

Oh oh ohhhh

Oh oh ohhhh

Oh oh ohhhh

Oh oh ohhhh
