

world

glass beach

He said, "I don't need you
I just need your memory"
One weird night with a too slow recovery

If you don't need me
Then get out from under me
I can't keep you
Honest
Honest

My whole world is falling apart
My whole world is falling apart

It's alright, don't go and apologize
Is it so bad you can't look me in the eyes?

And I don't need you (I don't need you)
(Don't need you)
(Don't need you)

I don't need you
(Don't need you)
(Don't need you)

I don't need you
(Don't need you)
(Don't need you)

I don't need you
(Don't need you)
(Don't need you)

I don't need you
(Don't need you)
(Don't need you)

I don't need you
(Don't need you)
(Don't need you)

(Don't need you)
(Don't need you)
