

# Doomed

## Glass Tides

Cut off my wings and come lock me up  
Just pull the plug, yeah, I've had enough  
Tear me to pieces, sell me for parts  
You're all vampires here  
You can have my heart (My heart, heart)  
(You can have my heart, you can have my heart)  
(You can have my heart, you can have my heart)  
(You can have my heart, you can have my heart)

The world's a funeral, a room of ghosts  
No hint of movement, no sign of pulse  
Only an echo, just skin, and bone  
They kicked the chair, but we  
We helped tie the rope  
You can have my heart (My heart, heart)  
(You can have my heart, you can have my heart)  
(You can have my heart, you can have my heart)

So come rain on my parade 'cause I wanna feel it  
Come shove me over the edge 'cause my head is in overdrive  
I'm sorry, but it's too late, and it's not worth saving  
So come rain on my parade

I think we're doomed  
I think we're doomed  
And now there's no way back

You must have made some kind of mistake  
I asked for death, but instead, I'm awake  
The Devil told me, "No room for cheats"  
I thought I'd sold my soul, but he kept the receipt  
(You can have my heart, you can have my heart)  
(You can have my heart, you can have my heart)

So leave a light on, I'm coming home  
It's getting darker, but I'll carry on  
The sun don't shine and it never did  
And when it rains, it fucking pours, but I think I like it  
And you know that I'm in love with the pain, I think I like it

So come rain on my parade 'cause I wanna feel it  
Come shove me over the edge 'cause my head is in overdrive  
I'm sorry, but it's too late, and it's not worth saving  
So come rain on my parade

I think we're doomed  
I think we're doomed  
And now there's no way back  
I think we're doomed  
I think we're doomed  
And now there's no way back

So come rain on my parade 'cause I wanna feel it  
Come shove me over the edge 'cause my head is in overdrive  
I'm sorry, but it's too late, and it's not worth saving  
So come rain on my parade

I think we're doomed  
I think we're doomed  
And now there's no way back
