

# Falling

## Glass Tides

How do you breathe?  
When you're underneath my skin  
And I'm soaked in your pain  
And your judgement  
Blur both my eyes  
And I'll bite off my tongue  
But I'm still just the same  
In reflections

What's forgiveness  
What's the meaning of this

You drag me down so low  
I pray you let me go  
I'm terrified, I'll stay alive  
I'm holding on to fear  
That no one's really here  
I'm paralyzed, I'm losing sight

I feel it start, it's creeping in  
I'm giving up, I'm giving in

I'm falling  
I'm falling  
I'm falling down  
I'm falling  
I'm falling  
I'm falling down

You drag me down so low  
I pray you let me go  
I'm terrified, I'll stay alive  
I'm holding on to fear  
That no one's really here  
I'm paralyzed, I'm losing sight

As time rolls on I fade and decay  
As time rolls on I fade and decay

You drag me down so low  
I pray you let me go  
I'm terrified, I'll stay alive  
I'm holding on to fear  
That no one's really here  
I'm paralyzed, I'm losing sight

I'm falling  
I'm falling  
I'm falling down
