

# Ghost

## Glass Tides

Youngblood thinks there's always tomorrow  
I miss your touch on nights when I'm hollow  
I know you crossed a bridge that I can't follow

Since the love that you left is all that I get  
I want you to know

That if I can't be close to you  
I'll settle for the ghost of you  
I miss you more than life (more than life)  
And if you can't be next to me  
Your memory is ecstasy  
I miss you more than life  
I miss you more than life

Youngblood thinks there's always tomorrow  
I need more time but time can't be borrowed  
I'd leave it all behind if I could follow

Since the love that you left is all that I get  
I want you to know

That if I can't be close to you  
I'll settle for the ghost of you  
I miss you more than life (more than life)  
And if you can't be next to me  
Your memory is ecstasy  
I miss you more than life  
I miss you more than life

So if I can't get close to you  
I'll settle for the ghost of you  
But I miss you more than life  
And if you can't be next to me  
Your memory is ecstasy  
I miss you more than life  
I miss you more than life
